- Plug in and use: no external power supply required
- SP Widget free download software, providing 7 major back-up and security functions

A delicate and modern must-have

Weighing only 4.5g, the metallic appearance and starlight blue color gives Touch 835's a modernistic impression. Its special coating is processed by metal sandblasting technique that not only protects the surface from scratches, but also adds a high quality finish. Touch 835 has an array of choices available in capacities from 2GB to 16GB .

State-of-Art Technology, Lifetime Guarantee

The most advanced COB (Chip On Board) packaging technology ensures waterproof, shockproof and dustproof functions of Touch 835.

SP Widget Software features seven main functions

1. " My document " synchronization / backup.
2. Sync or backup other folders.
3. Sync or backup " Outlook / Outlook express ".
4. Copy and encrypting your data into Pen drive.
5. Download Symantec Norton Internet security 60days trial for free.
